

# KRISTIN CLARK-LOWELL D.M.D., P.C.

---

March 2, 2009

Dear Patients,

As many of you know, I have been in the process of building a new dental office. **Beginning March 16<sup>th</sup>, 2009 all appointments will be at the new location, 3773 Luker Rd. Cortlandville** (across from Builder's Best). This endeavor has slowly developed over the past few years and has been a dream of mine since I was in dental school. It has been an exciting and challenging project for me.

My current location on Clinton Avenue has been wonderful in many ways. As I look to the future, I believe that relocating the office to a larger space is necessary in order to provide needed room to accommodate new technologies and accessibility for our handicapped patients. We will be able to accommodate these more easily with ramp access, wide hallways and a treatment room where people can be treated from their own wheel chairs. The new office will have ample parking and it will include a heated sidewalk that will provide easier access into the office during our harsh winter season. The office environment is warm and inviting which can help to allay fear and anxiety which some people suffer from when they are in professional offices.

I would like to take this opportunity to thank you for choosing me as your dentist. I appreciate your confidence and trust. Many of you have referred family, friends and neighbors to our office, for which I am grateful. I enjoy coming to the office in the morning and it is a pleasure to work with you. I am committed to offering optimum care while I continue my education in areas of advanced dentistry.

The opening of the new office will mark the 10<sup>th</sup> anniversary of my practice in Cortland. I have truly enjoyed living here, and view the new dental office as my way of reinvesting in the community that we all appreciate so much.

**I will be hosting an open house on Friday April 24<sup>th</sup> from 3:00-6:00 pm at the new office.** Please feel free to stop by and tour our new facility.

Directions to our new location are available on our new website [www.drclarklowell.com](http://www.drclarklowell.com) or you may call the office for assistance.

Sincerely,

Dr. Clark-Lowell
